

Joakim Nilsson

📍 Linköping, Sweden ✉ joakim@jb-uxdesign.com 🌐 <https://www.jb-uxdesign.com/>

Profile

33 year old UX / UI Designer / Product Designer with sales and leadership experience at Apple and Tesla.

Manchester United fan to the max, love movies and coffee.

Education

2021 — 2024

User Experience Design

University of Skovde

2015 — 2018

Occupational Therapy

University of Linköping

Employment

2023 —

Lead Product Designer, HeadCoachGames

Where I'm currently working as design lead. I work with UX strategy, research, UI and more in a small start-up.

2020 — 2021

Tesla Adivisor (Sales), Tesla

Assisted the world's transistion to renewable energy in Sweden's latest Tesla Center.

I was there from the start and it was an exciting journey.

2018 — 2020

Solutions Consultant, Apple

A super fun time at Apple where the independent and creative work suited me perfectly. Eventually led to that Tesla got eyes on me and I started there.
